Re: **Habitat for Humanity Blitz Build – RED Closed October 11, 2012**

NOTE: The IHCD A Real Estate Department will be traveling to southern Indiana to volunteer during the Habitat for Humanity Blitz Build on Thursday, October 11, 2012.

From October 8th through October 12th, Habitat for Humanity is planning a construction blitz to build 19 new houses for families who lost their homes in the tornadoes that struck southern Indiana in March.

Organizers are trying to recruit about 3,000 volunteers to help build the exteriors for 10 houses in Henryville and nine in the nearby Jefferson County community of Chelsea.

Please be mindful of this date as the RED staff will not be available. All phone calls and/or emails will be returned on Friday, October 12th.

If you are interested in participating in the blitz, please contact Holly Paris (Habitat for Humanity of Indiana) at 317-454-8090 or via email at volunteer@habitatindiana.org

Additional information on the build can also be found at <http://www.habitatindiana.org/disaster-recovery/volunteer/>
